I live on the 0 of the city. In fact, I almost live in the countryside. The good thing about where I live is that I am within walking 1 of a beautiful forest. It isn't so easy to get to the city centre, though. 2 transport is very poor and the nearest bus stop is about a kilometre from my house. When I get off the bus, I have to walk 3 a big factory and then 4..... a dark, lonely road. It isn't very nice at night so I usually get a taxi home.
