The way we use technology now

So many objects now have more than one function. Most people have a (1) m..... p..... and they use it to talk with their friends. They also use it to listen to music so they do not need an (2) M... p..... . There are (3) c..... now in every home, and people use them to surf the (4) l..... but they can also use them to watch (5) T..... and listen to the (6) r..... Technology and the way we use it is changing very (7) f..... The only bad thing about this new technology is that it uses a lot of (8) e..... and is expensive for us.
